**Release Date:** February 2, 2022

**Heading:** Full Circle Earth has been awarded a Whole Foods Market Community Giving Program Grant.

Full Circle Earth is pleased to accept a grant from the Beverly Whole Foods Market Community Giving Program. Full Circle Earth has been awarded \$2,982 which will be applied to the organization's general operating budget. These funds will be utilized to complete the construction of a hoop house at 36 Foster Street in Beverly, MA. This facility will serve as a community resource providing information about organic land care and native plants in addition to educational programs focused on reducing chemical pesticides and herbicides from our environment.

### **About Full Circle Earth**

Full Circle Earth is focused on teaching and practicing organic land care, water conservation, and other sustainable practices while creating community inclusion and equity for all. Our volunteers educate homeowners, facility managers, municipalities and people with disabilities interested in pursuing sustainable land care practices. The organization also provides connections to the information and people engaged in such practices in order to preserve the health of our communities.
